

1. Download the certificate from the following link:
<http://fluco.org/tech/downloads/ABE-ROOT-CA.cer>

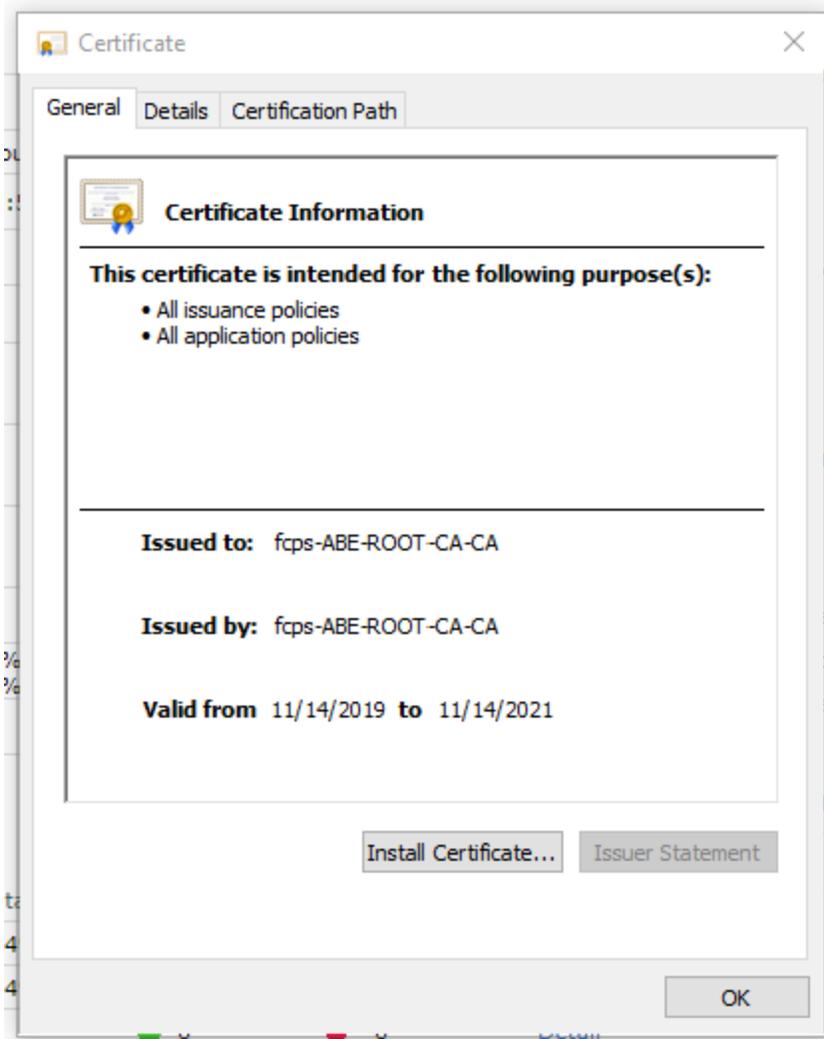

2. A download pop-up will appear showing the downloaded cert file. Click on the downloaded cert file:

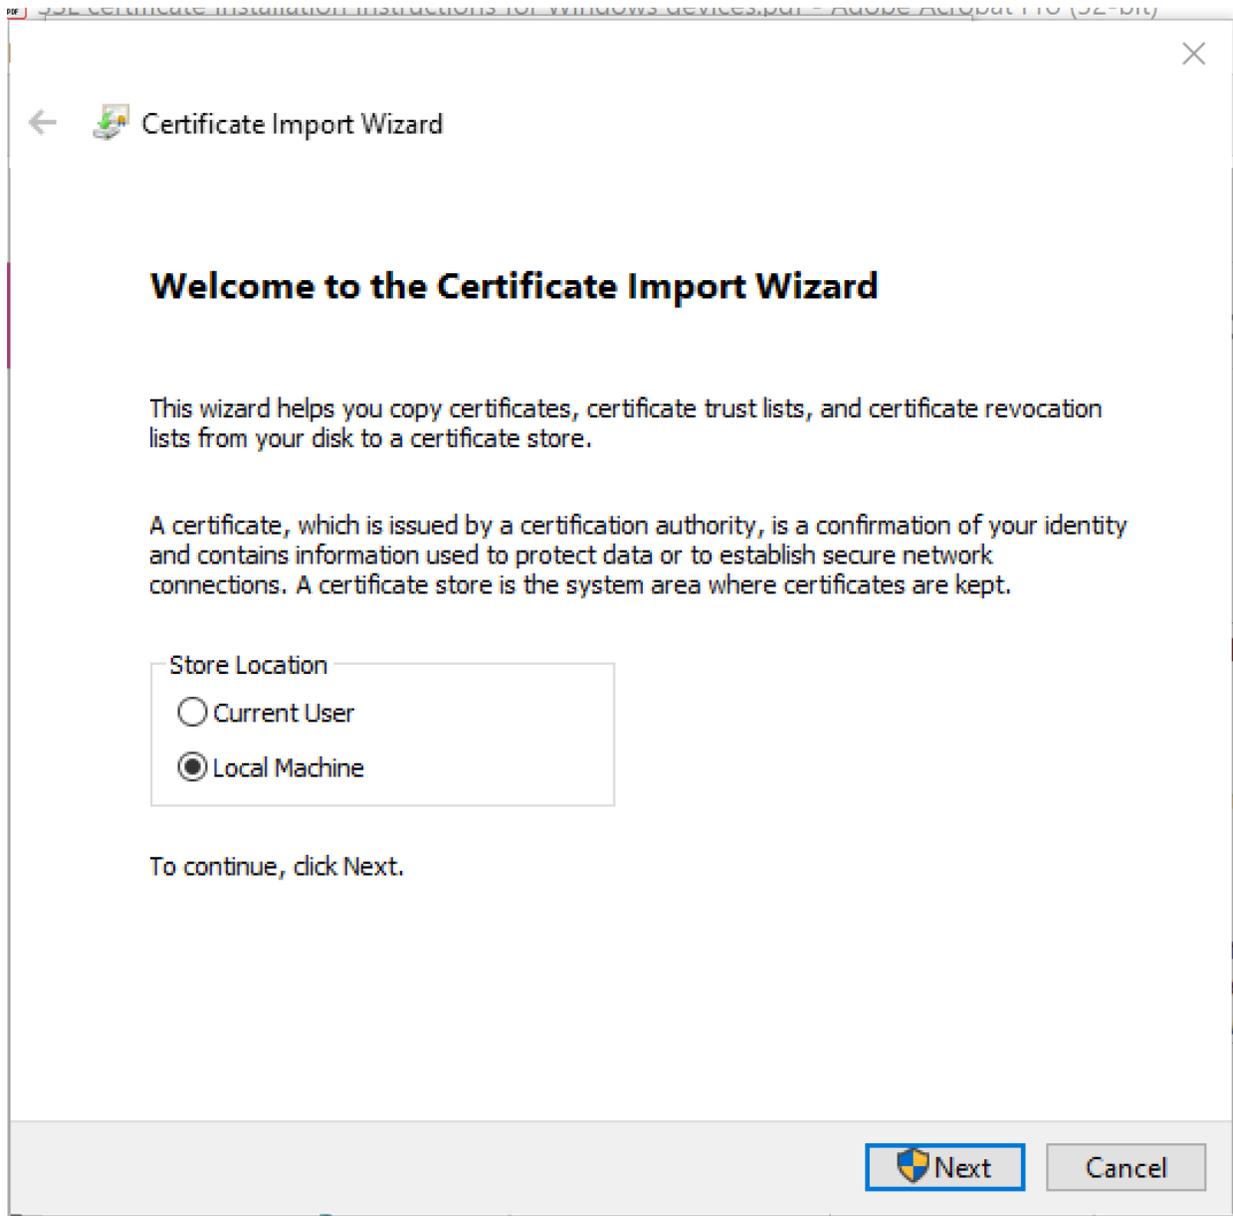

3. Select "Open":

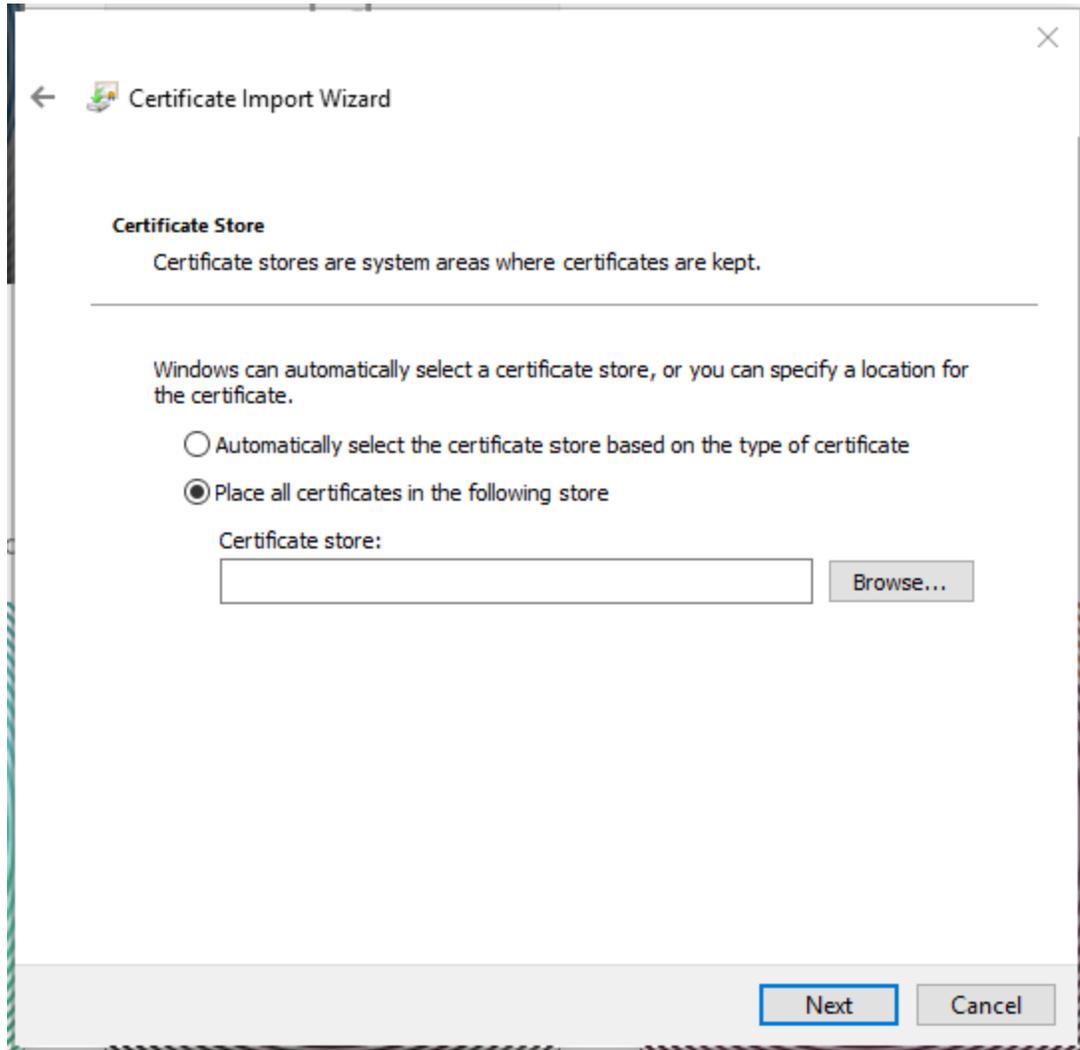

4. A new pop-up will open to start the install wizard. Click “Install Certificate...”:

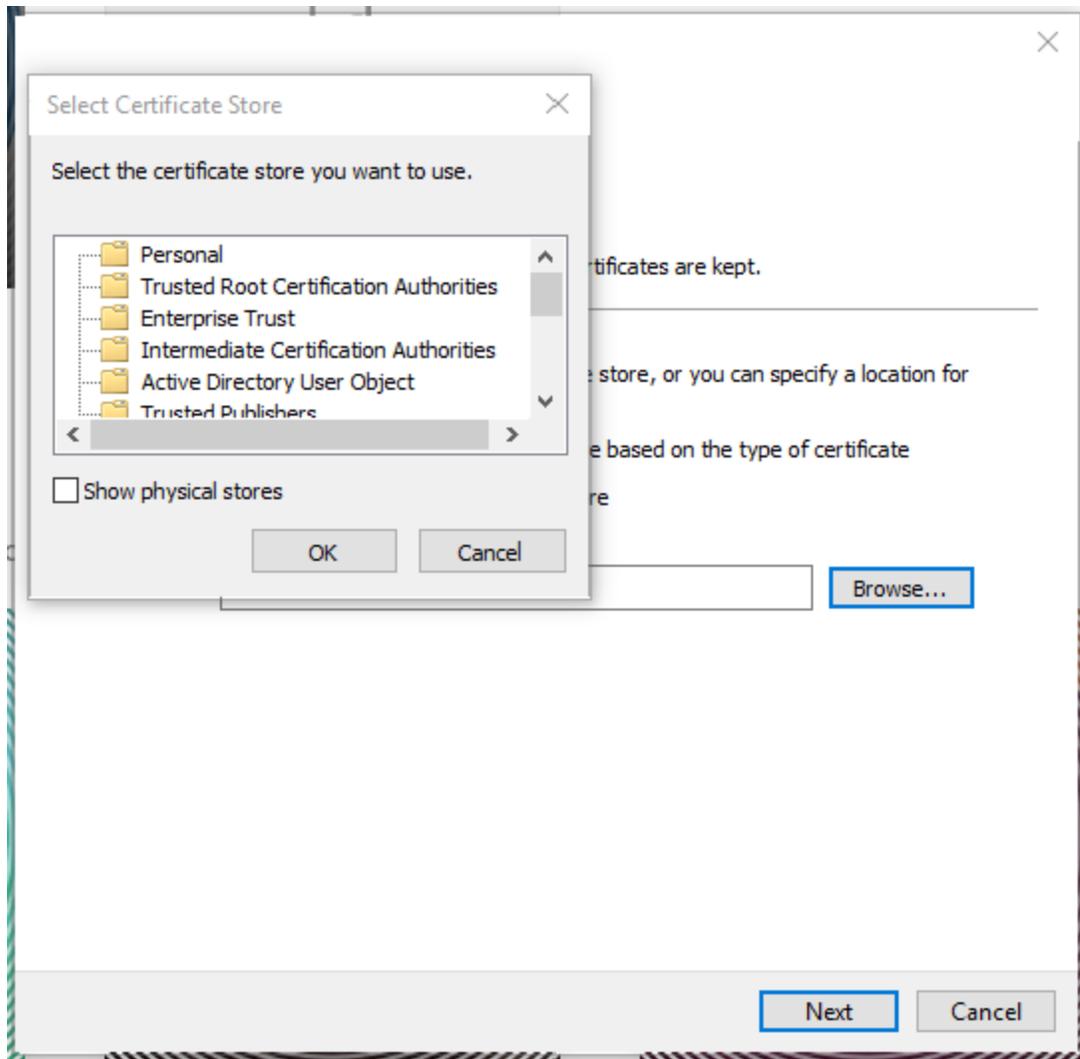

5. On the Certificate Import Wizard, select “Local Machine” and hit “Next”:

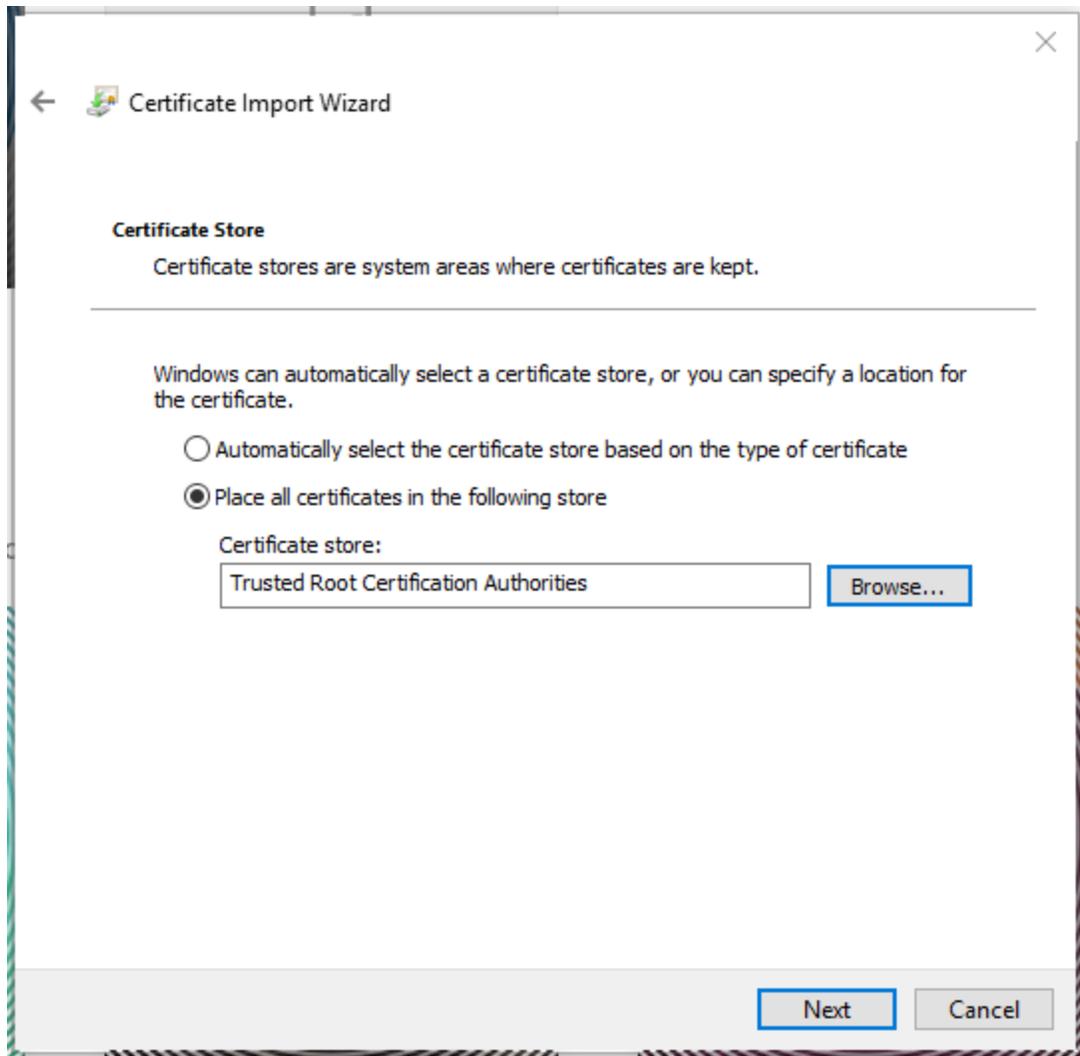

6. Choose "Place all certificates in the following store" and click "Browse...":

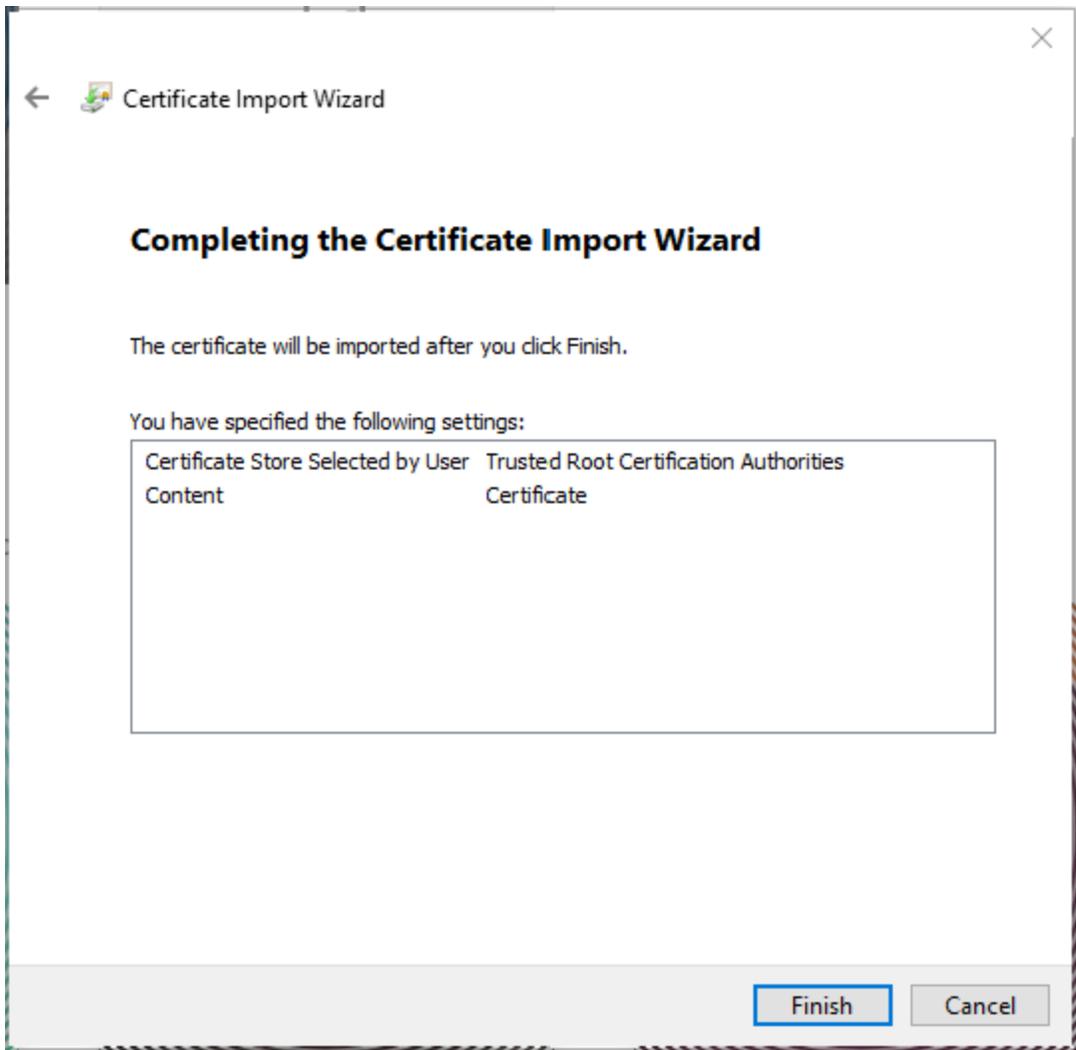

7. Select "Trusted Root Certificate" folder, and click "OK":

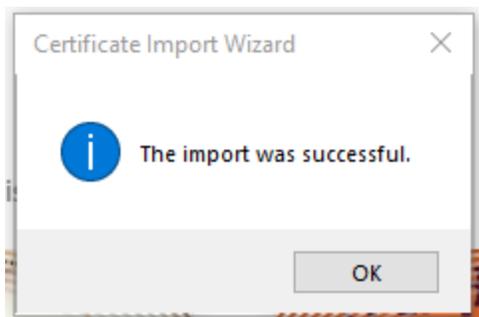

8. Click "Next":

9. Click "Finish":

10. Click "OK":

11. Restart your computer and logon. Your computer should now automatically connect to FCPS-Faculty (or FCPS-Laptops at FCHS) after you logon.
